Following is a summary of a half-hour radio program broadcast in Rhades dialect by the Voice of Vietnam, Hanoi, DRV, to the mountain people of the South Vietnam Highlands, at 09:10 GMT on 4 March 1956, 15020, 9465, 7855, 7425, 7410, 6098, 6235, and 1205 kcs:

- 1. The Government of the South creates anti-Communist organizations and anti-Communist propaganda to make our compatriots of the highlands hate and distrust the Government headed by President Ho Chi Minh. The compatriots of the highlands must be clearsighted and not let themselves be fooled by those kinds of stories, because they only aim at dividing us and bringing us into the war.
- 2. Personal messages: Letters from the students of the military training schools and the administrative school of Hanoi to their friends in Dar Lac, say they are in good health. They realize that the Hanoi Government, has taken good care to them and that they are leading a free life in a truly independent country.
- 3. Musical program. (Program read by a Vietnamese announcer.)
